

Redesign of the UK Blue Badge

As of 30 March 2019, the UK will begin issuing Blue Badges in a slightly different form. This will mean that, for a period of time, there will be two different styles of the UK badge in circulation at the same time. The badges are shown below.

**BADGE HOLDER
PHOTOGRAPH**

This Badge entitles the holder to special local parking facilities.

This Badge should be displayed at the front of the vehicle. It needs to be clearly visible so that it can be checked.

This Badge remains the property of the issuing local authority. If found or not needed anymore, it should be returned to your local authority.

This badge can only be used by the named badge holder, or by a person who has dropped off or is collecting the Badge holder from the place where the vehicle is parked. It is a criminal offence for anyone else to use this Badge in any other circumstances.

Expiry Date: **29/03/2022**

The new UK badge sees the removal of all appearances of the EU stars from the printed badge face and the hologram; and changes "UK" on the front of the badge from yellow to white. Otherwise, the badge will be no different from the current badge so as to facilitate continued mutual recognition with EU Member States.
